Dear Ms. Bendix:

This letter responds to your Freedom of Information Act (FOIA) request of January 29, 2019 in which you seek the following:

- 2014 to 2018 email communications between the U.S. Navy and Lennar Corporation that discuss radioactive contamination on site 12 at the Treasure Island and Yerba Buena Island development project in San Francisco. The correspondence may include the following names: Kofi Bonner, Co-Chief Operating Officer at FivePoint; Robert (Bob) Beck, Treasure Island Director, Kimberly Noble, Radiological Affairs Support Office, U.S. Department of the Navy; and David Clark, Remediation Project Manager, U.S. Department of the Navy.

Your request was received by this office on February 6, 2019 and assigned file number DON-Navy-2019-003302.

Despite diligent efforts, we are unable to provide you a final determination on your request within the 20 working-day statutory time frame established by the FOIA because of the need to search for, collect, and examine a substantial number of potentially responsive records.

At this time, we are also unable to provide an estimate of when your request will be completed because of uncertainty regarding number of records that may be responsive. The processing of your request is being continued and a date for the response will be provided by **May 31, 2019**.

In view of the above, you may consider this to be an adverse determination that may be appealed. Since you have created an account in FOIA ONLINE, you may submit an appeal directly within the web-based system. To do this, you would log in to your account, retrieve your original request, and then click on the "Create Appeal" tab in the left-hand column. The basic information from your request will be duplicated for you, and then you can type in the basis of your appeal. If you prefer to use regular mail, you may submit an appeal to:

The Department of the Navy
Office of the General Counsel (ATTN: FOIA APPEALS)
